Agile

Boutique-style agency with focus on individual client.
85% of our business is repeat-business.

Efficient

We will need on average 2-3 candidates to fill one position.

In-depth expertise

17 years of Belgian IT market knowledge and extensive network of contacts.

People-driven

Knowing our candidates personally ensures excellence in our matches.

Why do clients work with us?

Clear Pricing

Freelance: We invoice the agreed rate based on contractor's skills.

Permanent: We invoice a percentage of the candidate's yearly total remuneration.

Time-Saving

You only meet rigorously pre-selected, fitting candidates that are interested in your open position.

Dedicated Account Manager

Single point of contact to interact with all line managers and HR representatives for the IT positions your company is looking to fill.

Specialised Recruiters

Qualified personnel with expert knowledge of the sector and the discipline relevant to your needs.

The best process? The one you're involved in.

Top candidates are [off the job market in 10 days](#).
Being **quick and responsive** keeps candidates engaged and
increases your chances to hire them before others do.

An aerial photograph of a city park, likely in Brussels, featuring a large circular fountain with multiple water jets. The park is surrounded by lush green trees and a paved walkway. In the background, a dense urban landscape with various buildings and a road with cars is visible. The overall scene is captured in a slightly desaturated, muted color palette.
